Let's go in

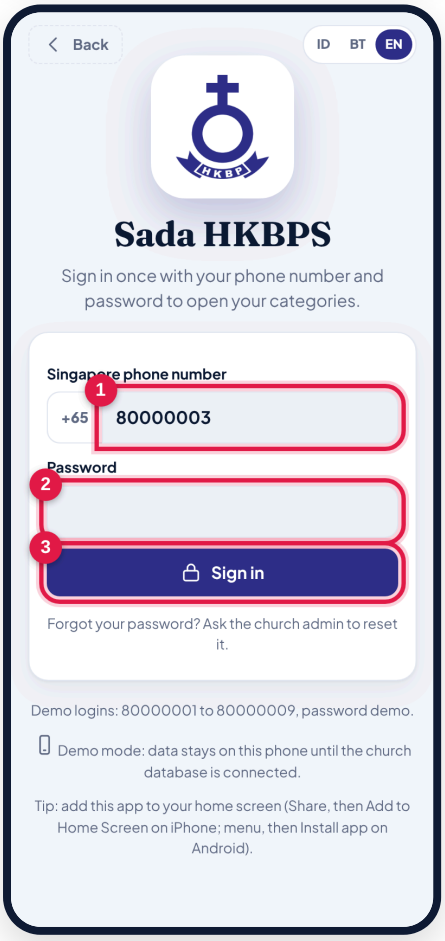

1

Open the app

Open **yos2204.github.io/butet/hkbp** on your phone. Tap the box that says **Sign in**.

> 💡 Tip: add it to your home screen so it's always one tap away.

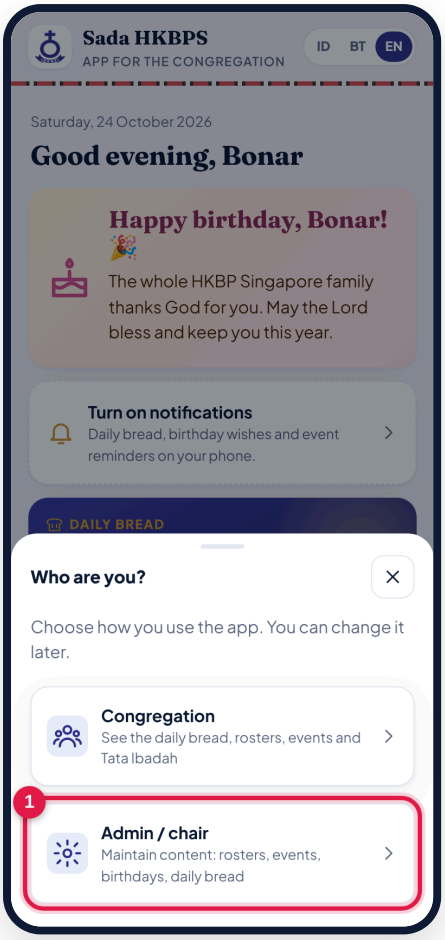

2

Type your number and password

1 Type your phone number. 2 Type your password. 3 Tap **Sign in**.

> 💡 Forgot your password? Ask the church admin. Never send your password to anyone.

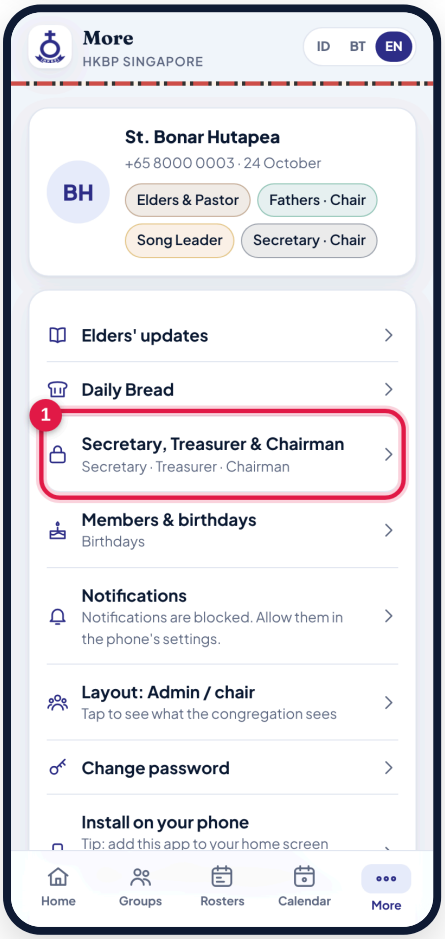

3

Say who you are

The app asks **Who are you?** Tap **Admin / chair**, so you see your work buttons.

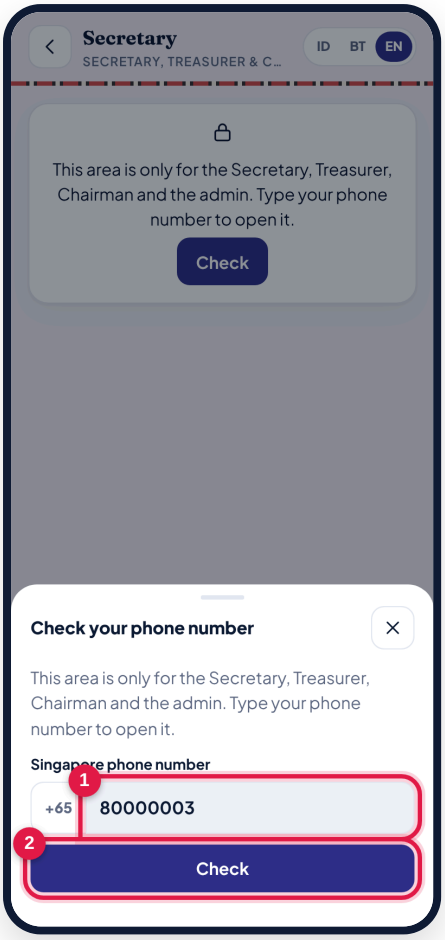

> 💡 If you tapped the wrong one, go to More → Layout and change it.

4

Find your office

Tap **More** at the bottom. Then tap **Secretary, Treasurer & Chairman**.

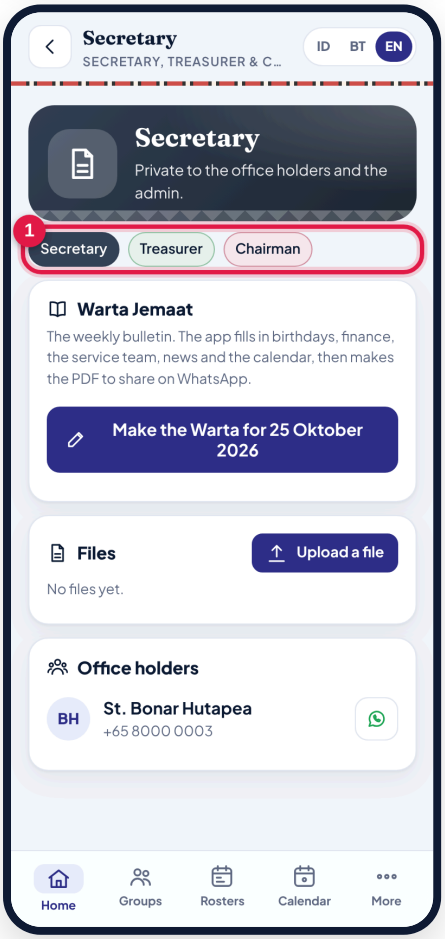

5

Show it's really you

1 Type your phone number again. 2 Tap **Check**. This is like knocking on a secret door.

> 💡 You only do this once each time you open the app.

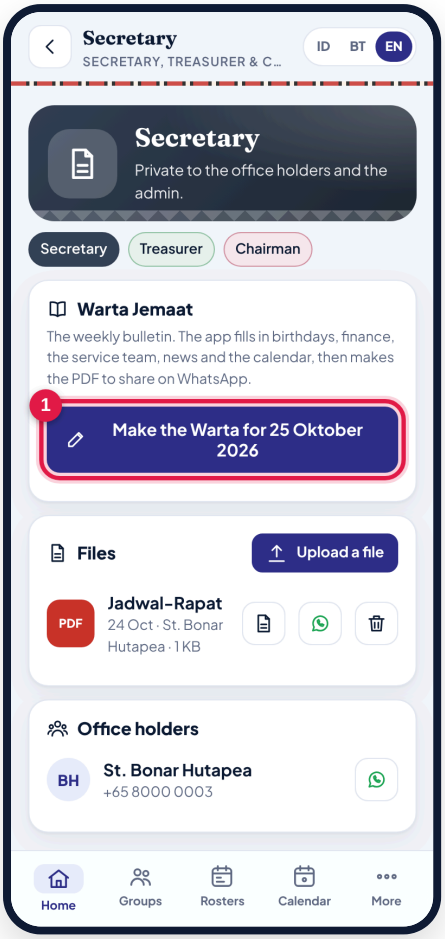

6

Pick a room

You are in! The three buttons at the top are three rooms: **Secretary**, **Treasurer** and **Chairman**. Tap one to go there.

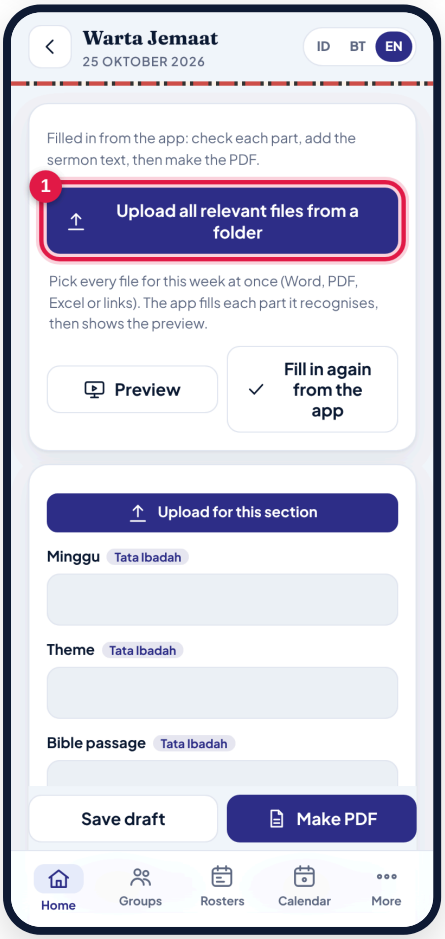

Make the Warta Jemaat

7

Start this week's Warta

In the **Secretary** room, tap the big blue button **Make the Warta for …**

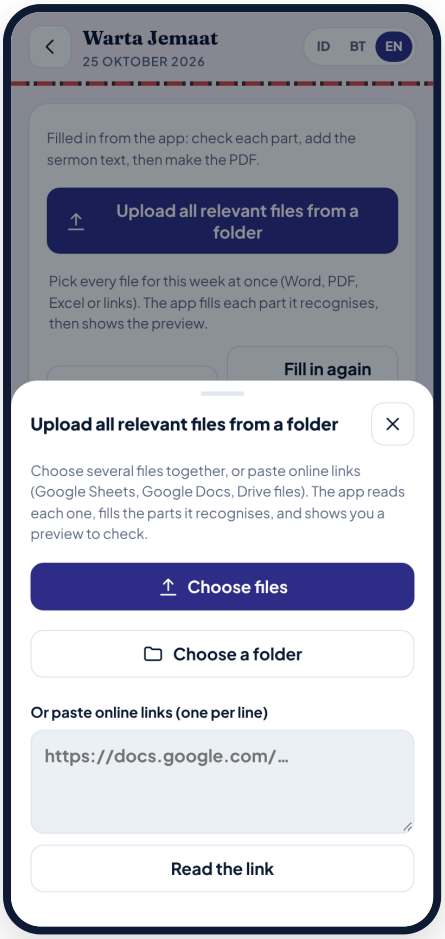

8

Give the app all your files

Tap **Upload all relevant files from a folder**.

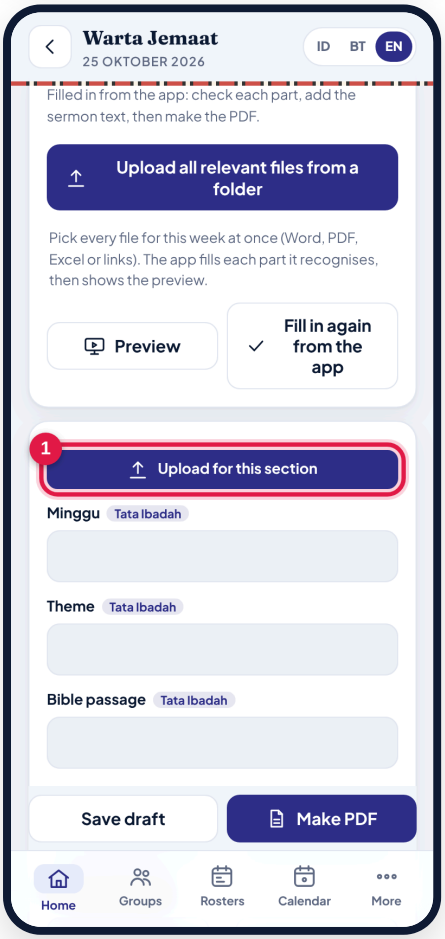

> 💡 The app reads the files and fills in each part for you, like magic.

9

Choose the files

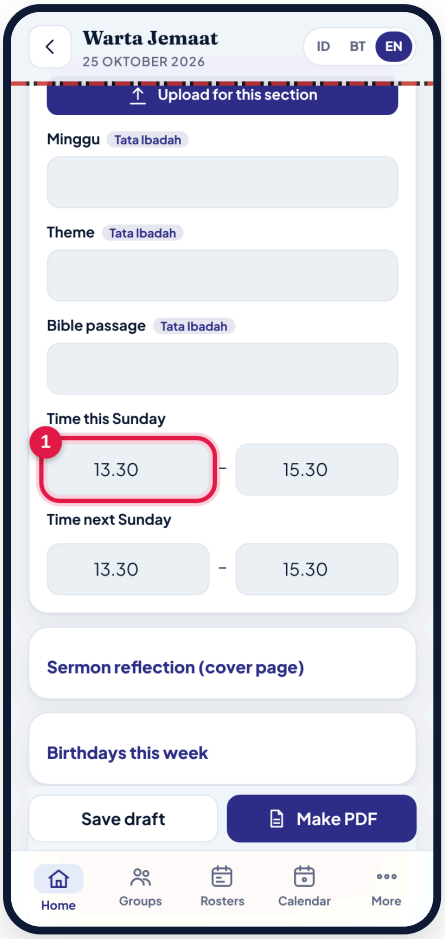

Tap **Choose files** (or **Choose a folder**). You can also paste a Google link and tap **Read the link**.

10

Fix one part

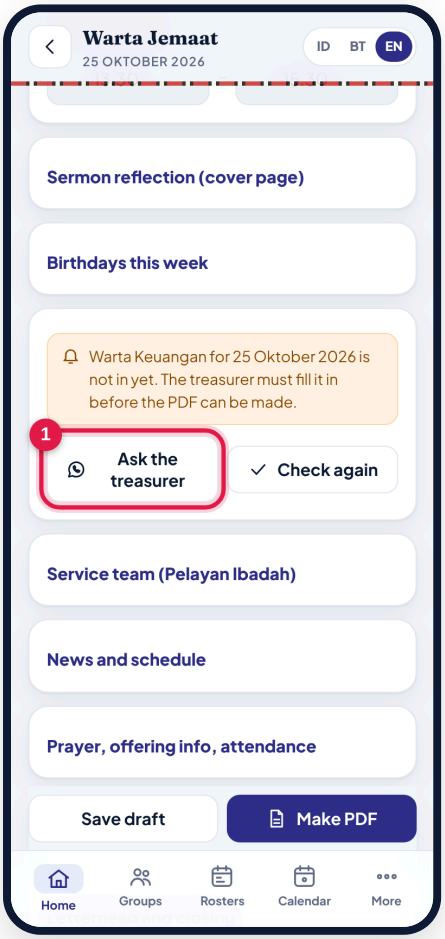

Each part has its own **Upload for this section** button. Use it if one part came out wrong. You can also type in the boxes.

11

Check the time

The service time is already **13.30 – 15.30**. Tap it to pick a different time, or type one.

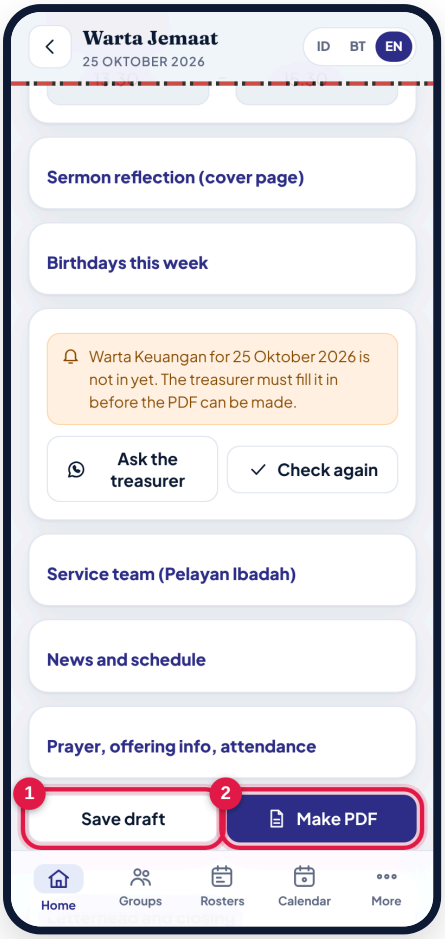

12

Waiting for the Treasurer?

If the money news isn't in yet, tap **Ask the treasurer**. It sends them a WhatsApp. Later, tap **Check again**.

> 💡 The PDF can't be made until the Treasurer has filled it in.

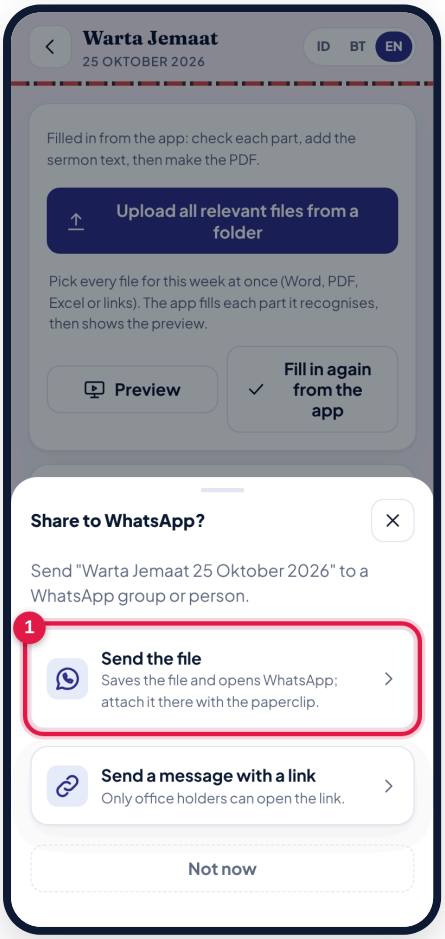

13

Save, then make the PDF

1 **Save draft** keeps your work. 2 **Make PDF** turns it into the printed Warta.

> 💡 Not finished? Save draft and come back later.

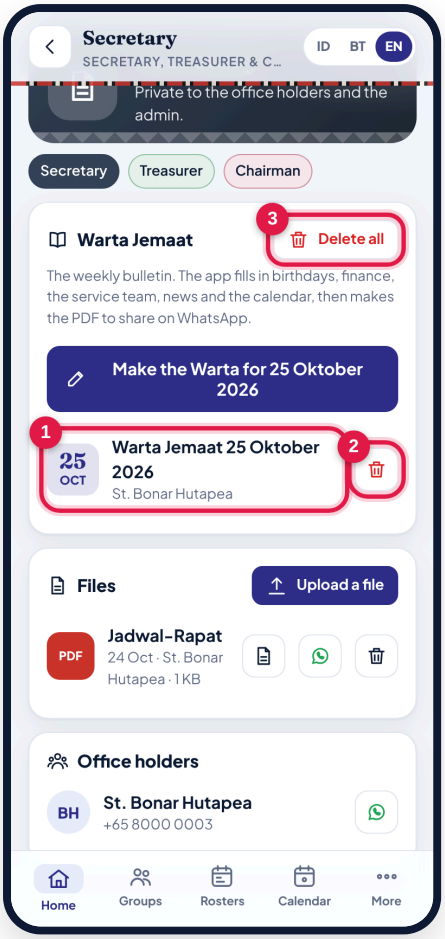

14

Send the Warta

When the PDF is ready, tap **Send the file** and pick the church WhatsApp group.

> 💡 The PDF is also kept in the Secretary files.

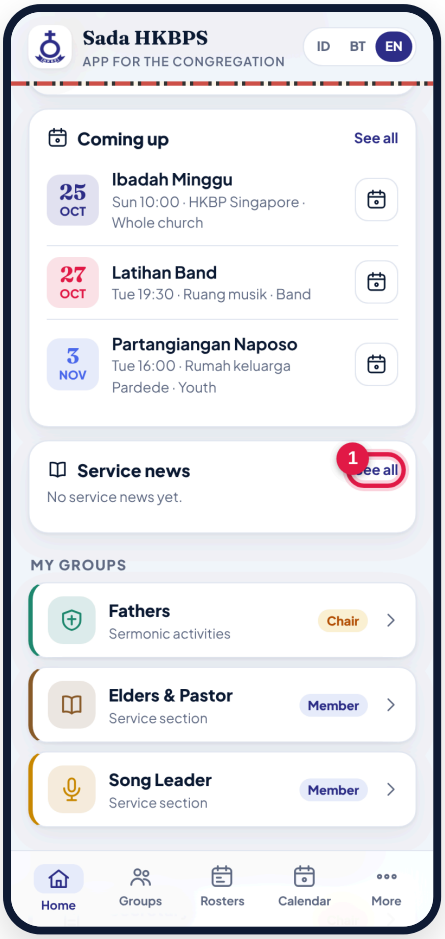

15

Old Warta list

1 Tap a Warta to open it. 2 The bin deletes that one. 3 **Delete all** clears the list.

💡 Both ask you to tap twice, to be safe.

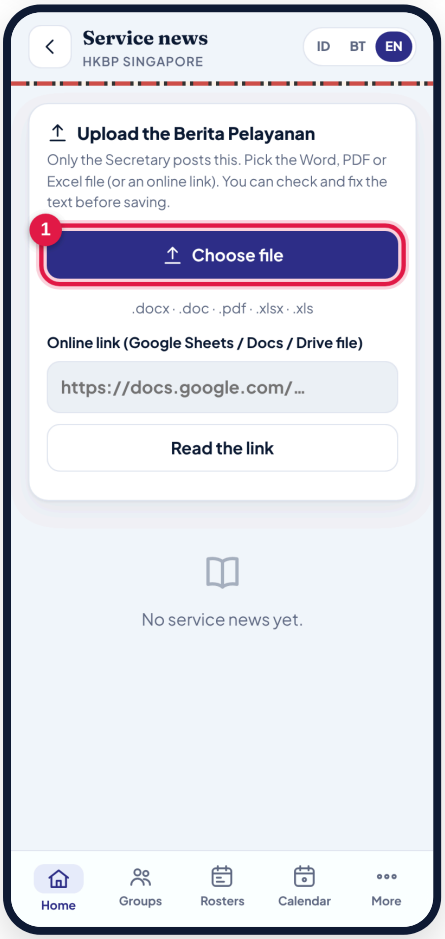

Post the Berita Pelayanan

16

Find the service news

On **Home**, find **Berita Pelayanan** (Service news) and tap **See all**.

17

Upload the news

Tap **Choose file** and pick the Word, PDF or Excel file. Check the text, then save.

> 💡 Only the Secretary can do this. It goes into the Warta by itself.

Keep and share files

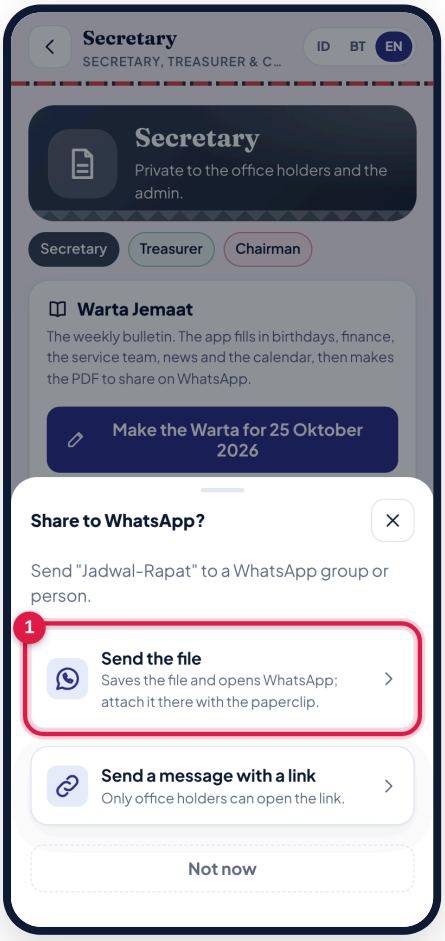

18

Put a file in

In the **Secretary** room, tap **Upload a file**. 1 Choose the file from your phone. 2 Tap **Upload a file**.

> 💡 Word, PDF, Excel or a photo, up to 10 MB. Give it a short title.

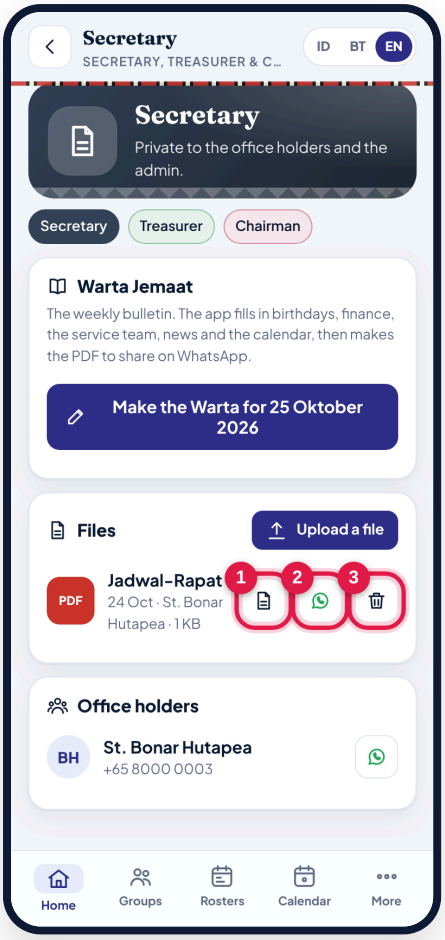

19

Send it on WhatsApp

The app asks if you want to share it. Tap **Send the file**, then pick the WhatsApp group.

> 💡 Tap Not now if you only want to keep it.

20

Your file buttons

1 Open the file. 2 Send it on WhatsApp. 3 Throw it away (the bin).

> 💡 The bin asks you to tap twice, so nothing is deleted by accident.

Well done!

You know everything the Secretary needs. If something looks different or gets stuck, close the app and open it again. Still stuck? Ask the church admin on WhatsApp.

The app also speaks Bahasa Indonesia and Batak. Tap ID or BT at the top right.
