Sada HKBPS

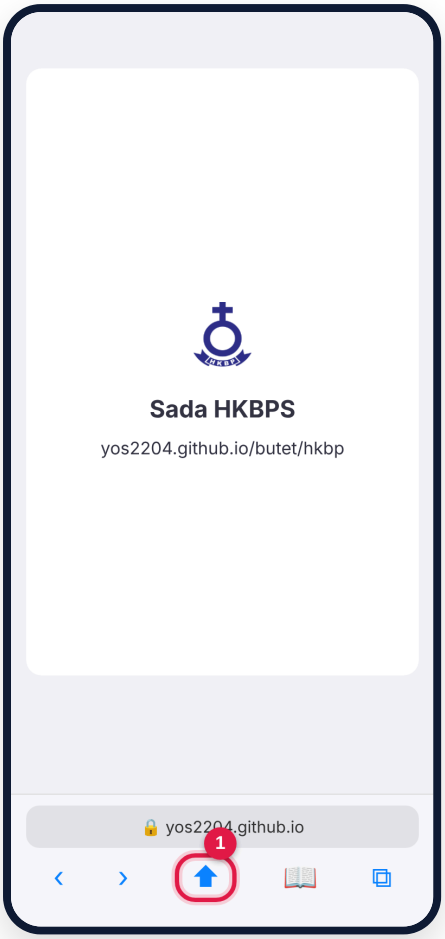

Ama Chair

Your easy picture guide. Look at the picture, find the **red box**, and tap that button. That's it!

What can the Ama Chair do?

- ★ Post sermon materials, news and events for Ama
- ★ Send birthday and wedding anniversary wishes to the category WhatsApp group
- ★ See the members of the category
- ★ Get notifications for everything

Put the app on your phone (once)

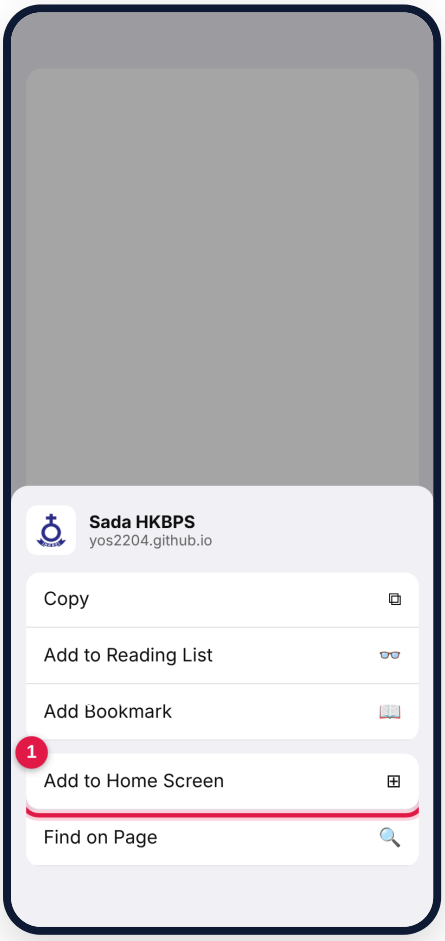

1

iPhone: open it in Safari

Open **yos2204.github.io/butet/hkbp** in **Safari**. Tap the **Share** button at the bottom (the square with an arrow).

> 💡 Use Safari. Other browsers on iPhone can't add it properly.

2

iPhone: Add to Home Screen

In the list, tap **Add to Home Screen**.

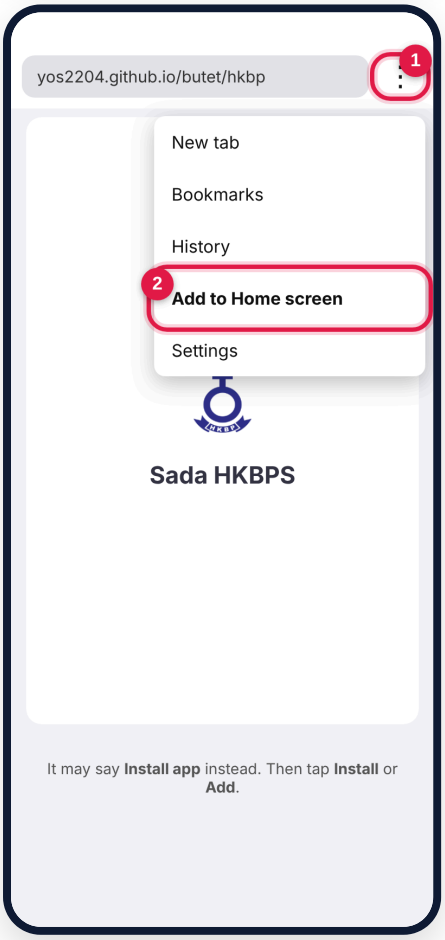

> 💡 Don't see it? Scroll the list down a little.

3

iPhone: tap Add

Tap **Add** at the top right. The app is now on your phone.

4

Android: add it from Chrome

Open **yos2204.github.io/butet/hkbp** in **Chrome**. 1 Tap the three dots. 2 Tap **Add to Home screen** (or **Install app**), then **Add**.

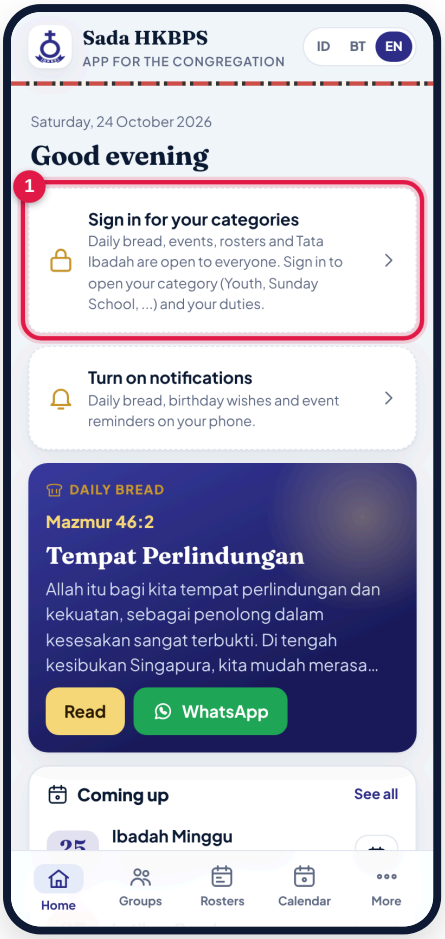

5

Open it from the icon

Find the **Sada HKBPS** icon on your home screen and tap it. From now on, always open the app this way.

> 💡 On iPhone, notifications only work when you open the app from this icon.

Let's go in

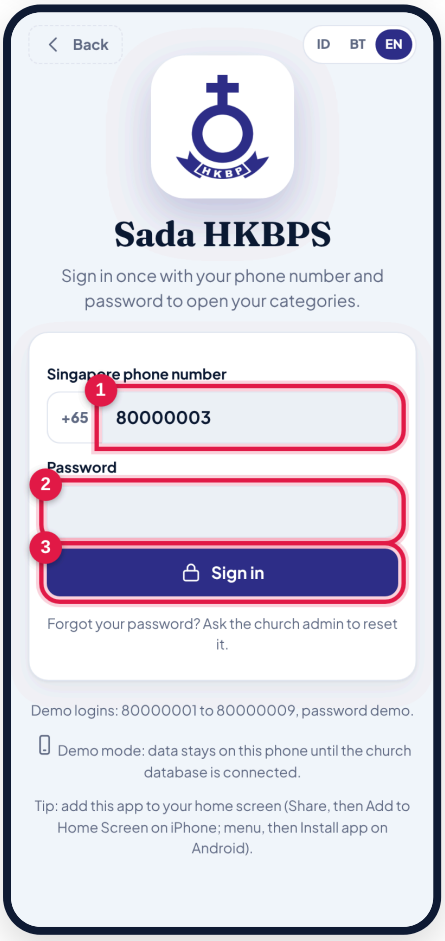

6

Open the app

Open the app. Tap the box that says **Sign in**.

> 💡 Always open the app from the Sada HKBPS icon on your home screen.

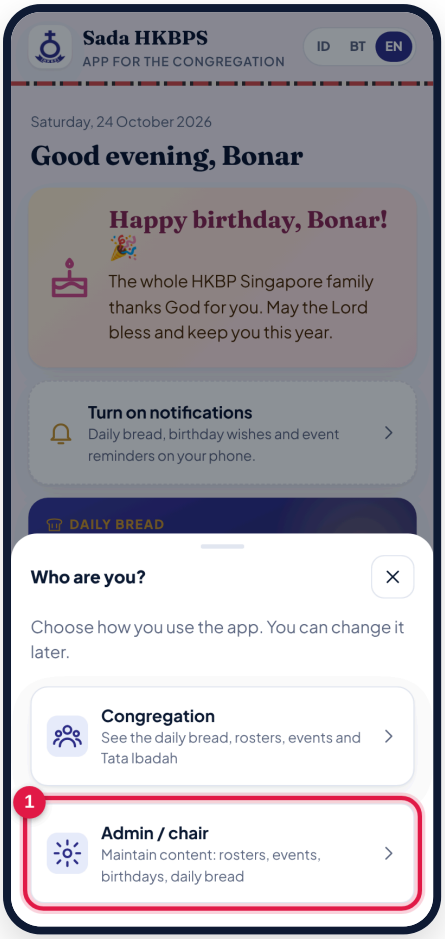

7

Type your number and password

1 Type your phone number. 2 Type your password. 3 Tap **Sign in**.

> 💡 First time? Leave the password empty and tap Sign in. The app asks you to make your own password.

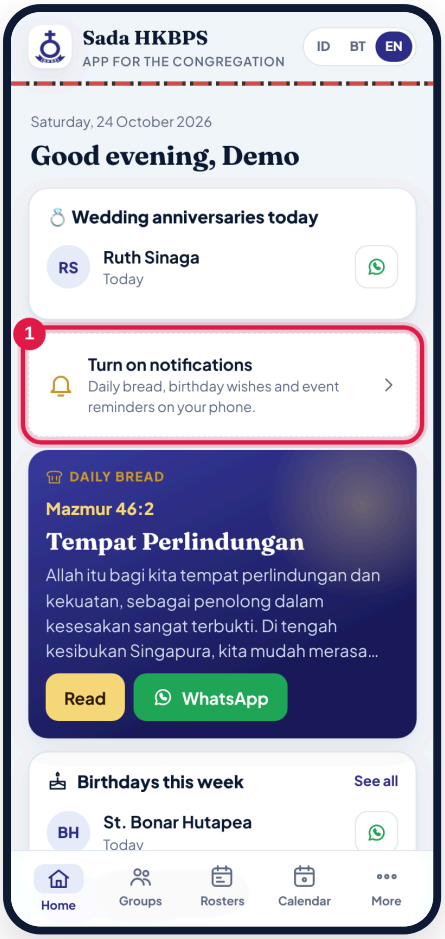

8

Say who you are

The app asks **Who are you?** Tap **Admin / chair**, so you see your work buttons.

> 💡 If you tapped the wrong one, go to More, then Layout, and change it.

Turn on notifications (once)

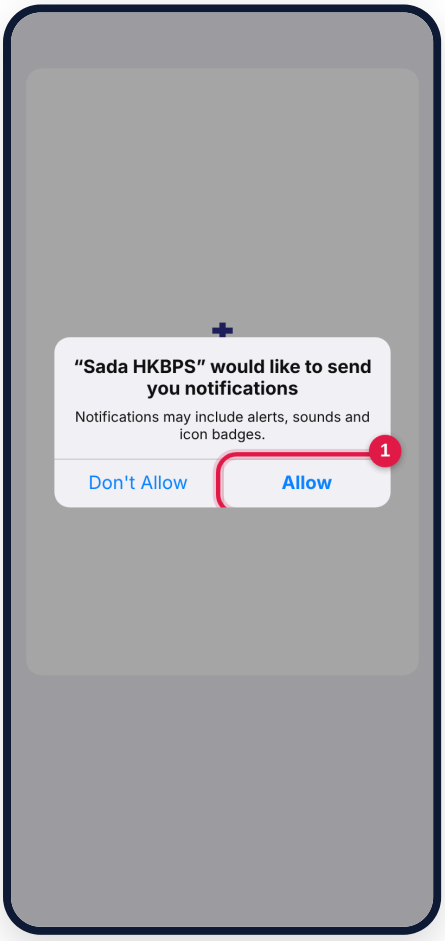

9

Tap Turn on notifications

Right after you sign in, the app asks to turn on notifications. Tap **Turn on notifications**. You can also tap this box on **Home**.

> 💡 No box on Home? Then notifications are already on.

10

Tap Allow

Your phone asks if the app may send notifications. Tap **Allow**.

> 💡 Tapped Don't Allow by mistake? Go to your phone's Settings, then Notifications, then Sada HKBPS, and switch it on.

11

All set!

A message pops up: **Notifications are on**. Now you get the daily bread, birthday wishes, reminders and church news. They stay on, so you don't need to do this again.

> 💡 iPhone needs iOS 16.4 or newer.

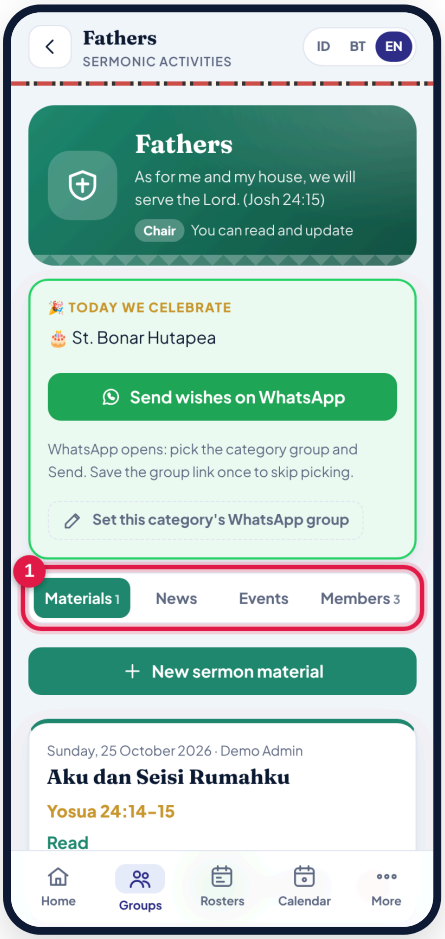

Open Ama

12

Open Ama

Tap **Groups** at the bottom. Then tap **Fathers**.

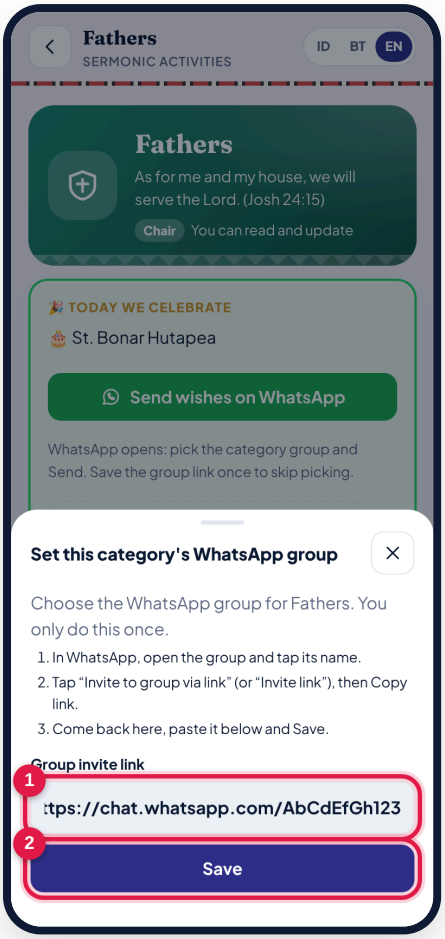

13

Your category page

The tabs: **Materials**, **News**, **Events** and **Members**. Tap a tab to open it.

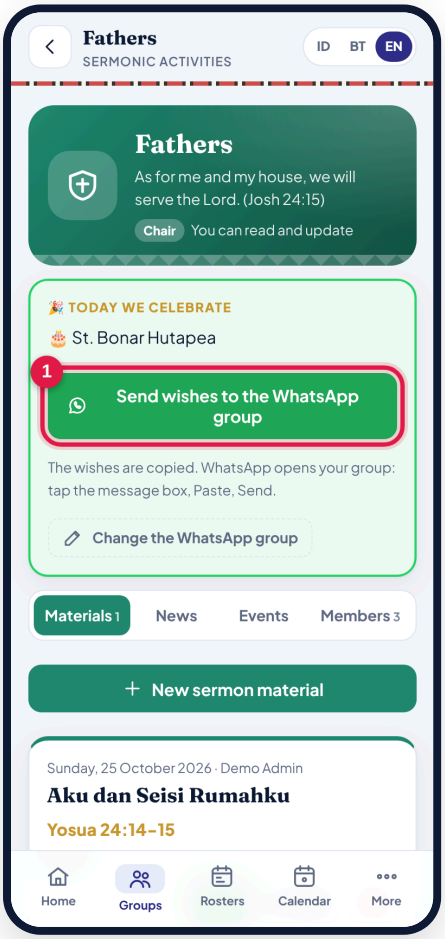

Birthday and anniversary wishes

14 Choose the WhatsApp group (once)

In WhatsApp, open your category group, tap its name, tap **Invite via link** and copy it. In the app: 1 paste the link, 2 tap **Save**.

> 💡 You do this only once. Changing group later? Tap Change the WhatsApp group.

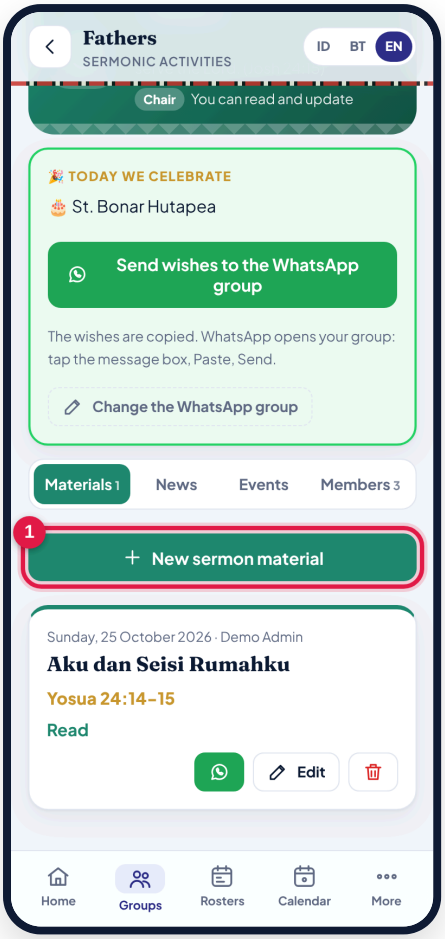

15 Send the wishes

At 08:00 on a birthday or wedding anniversary you get a notification. Tap it, then tap **Send wishes to the WhatsApp group**.

> 💡 The wishes are already copied and the group opens. Tap the message box, Paste, Send.

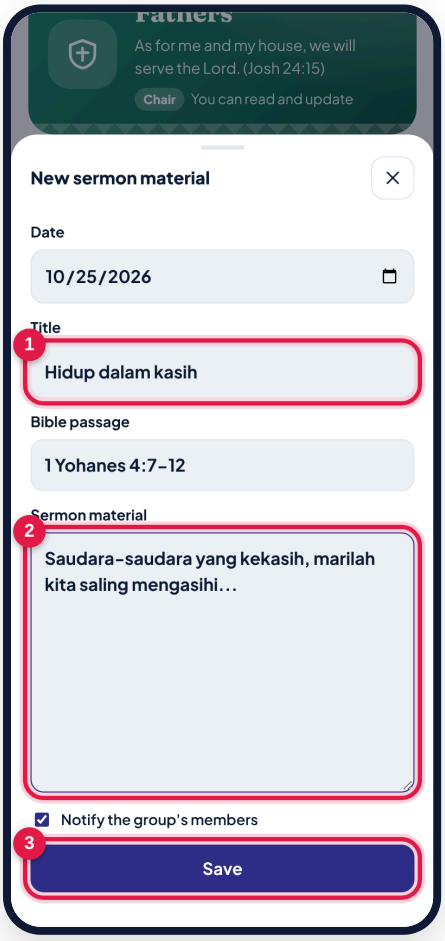

Post for your category

16

New sermon material

On **Materials**, tap **New sermon material**.

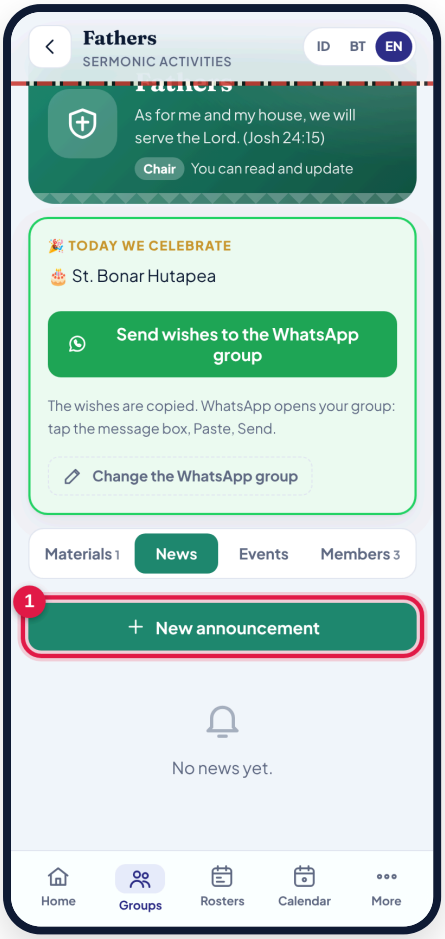

17

Write and save

1 Type the title. 2 Type the text. 3 Tap **Save**.

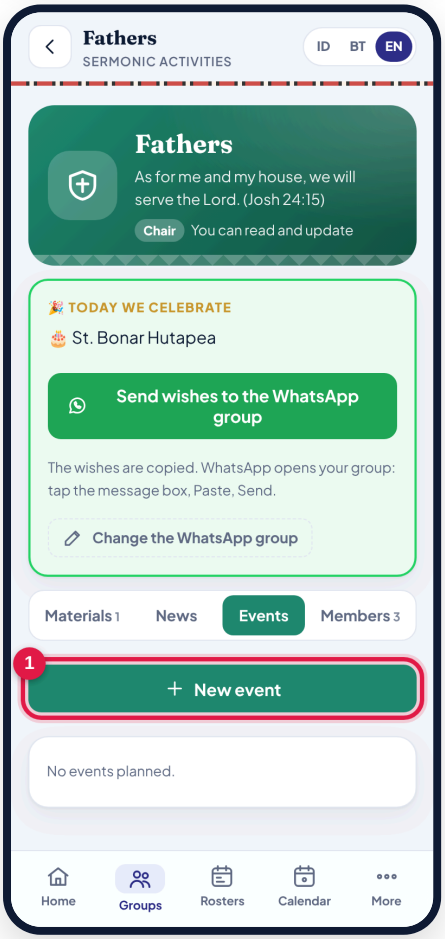

> 💡 Tick Notify the group's members so everyone gets a notification.

18

Share news

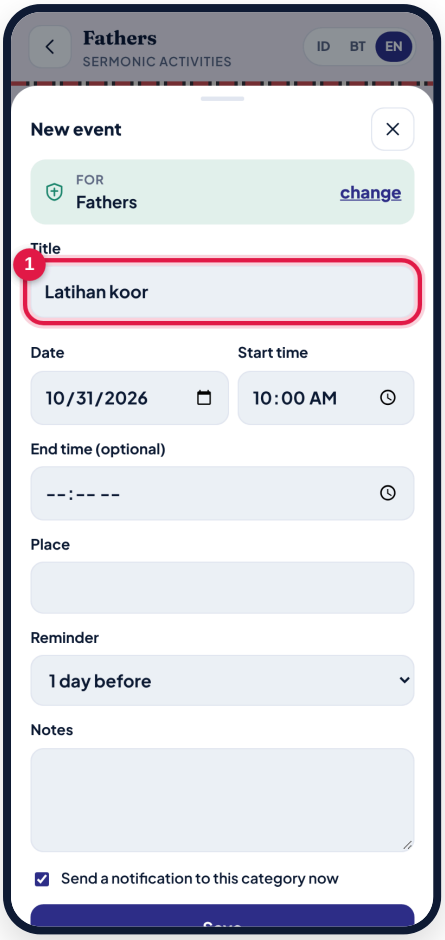

On **News**, tap the blue button to write news for your category.

19

Add an event

On **Events**, tap **New event**.

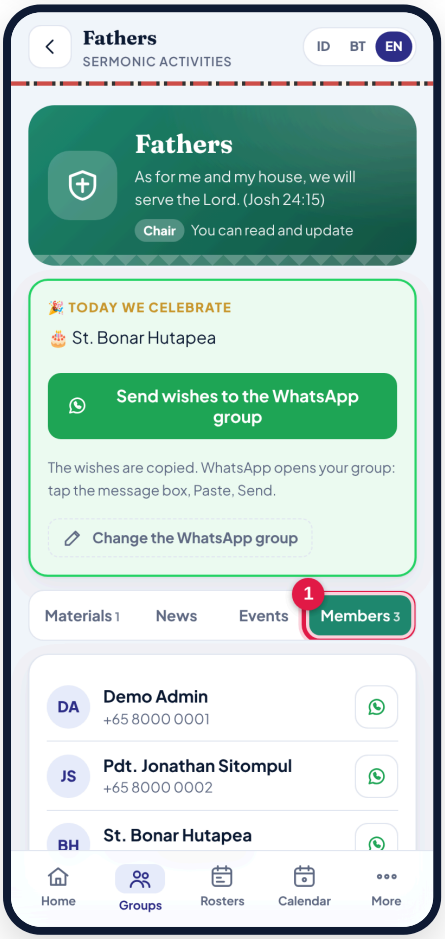

20

Fill in the event

Type the title, date, time and place, choose a reminder, then **Save**.

> 💡 Members get a reminder, and the event shows in their phone calendar if they subscribed.

21

See your members

On **Members** you see everyone in the category. Tap the green WhatsApp button to message someone.

Well done!

You know everything the Ama Chair needs. If something looks different or gets stuck, close the app and open it again. Still stuck? Ask the church admin on WhatsApp.

The app also speaks Bahasa Indonesia and Batak. Tap ID or BT at the top right.
